You do not need to send any physical documents to the Home Office or UK Visas & Immigration unless you are advised to do so.

You have agreed to include the following documents in your application. Tick the box beside each document to confirm that you are providing it.

UK Visas & Immigration

- consent from your parent(s)/legal guardian(s) to the living arrangements in the United Kingdom and the address where you will be staying
- whether one or both of your parent(s)/legal guardian(s) have responsibility for you

Both parents/legal guardians must sign the letter of consent, except where only one parent/legal guardian has sole responsibility for you.

If you provided any qualification evidence to your sponsor for them to issue your CAS, you must submit this evidence (including translations). For example, you might have sent your sponsor your certificate of qualification or transcript of results.

If you have received a new passport since your last leave to remain application, and your visa is in your old passport, you must include both passports.

If you do not provide any of these documents, we may not be able to make a decision on your application. Note that we may occasionally ask you to provide other documents in addition to those listed.

Your application may be rejected if you do not provide all mandatory documents. If your application is rejected due to documents not being provided, it will not be considered and an administration fee for each person included in the application will be deducted from your refund.
